ŠPANIELSKY BEAUTY E-SHOP ~ ORIGINAL VYVINUTÝ NA MIERU

webdesign ~ beauty e-shop

Ako sa nám podarilo prebudiť emócie
v prípade realizácie beauty e-shopu MIRRORO

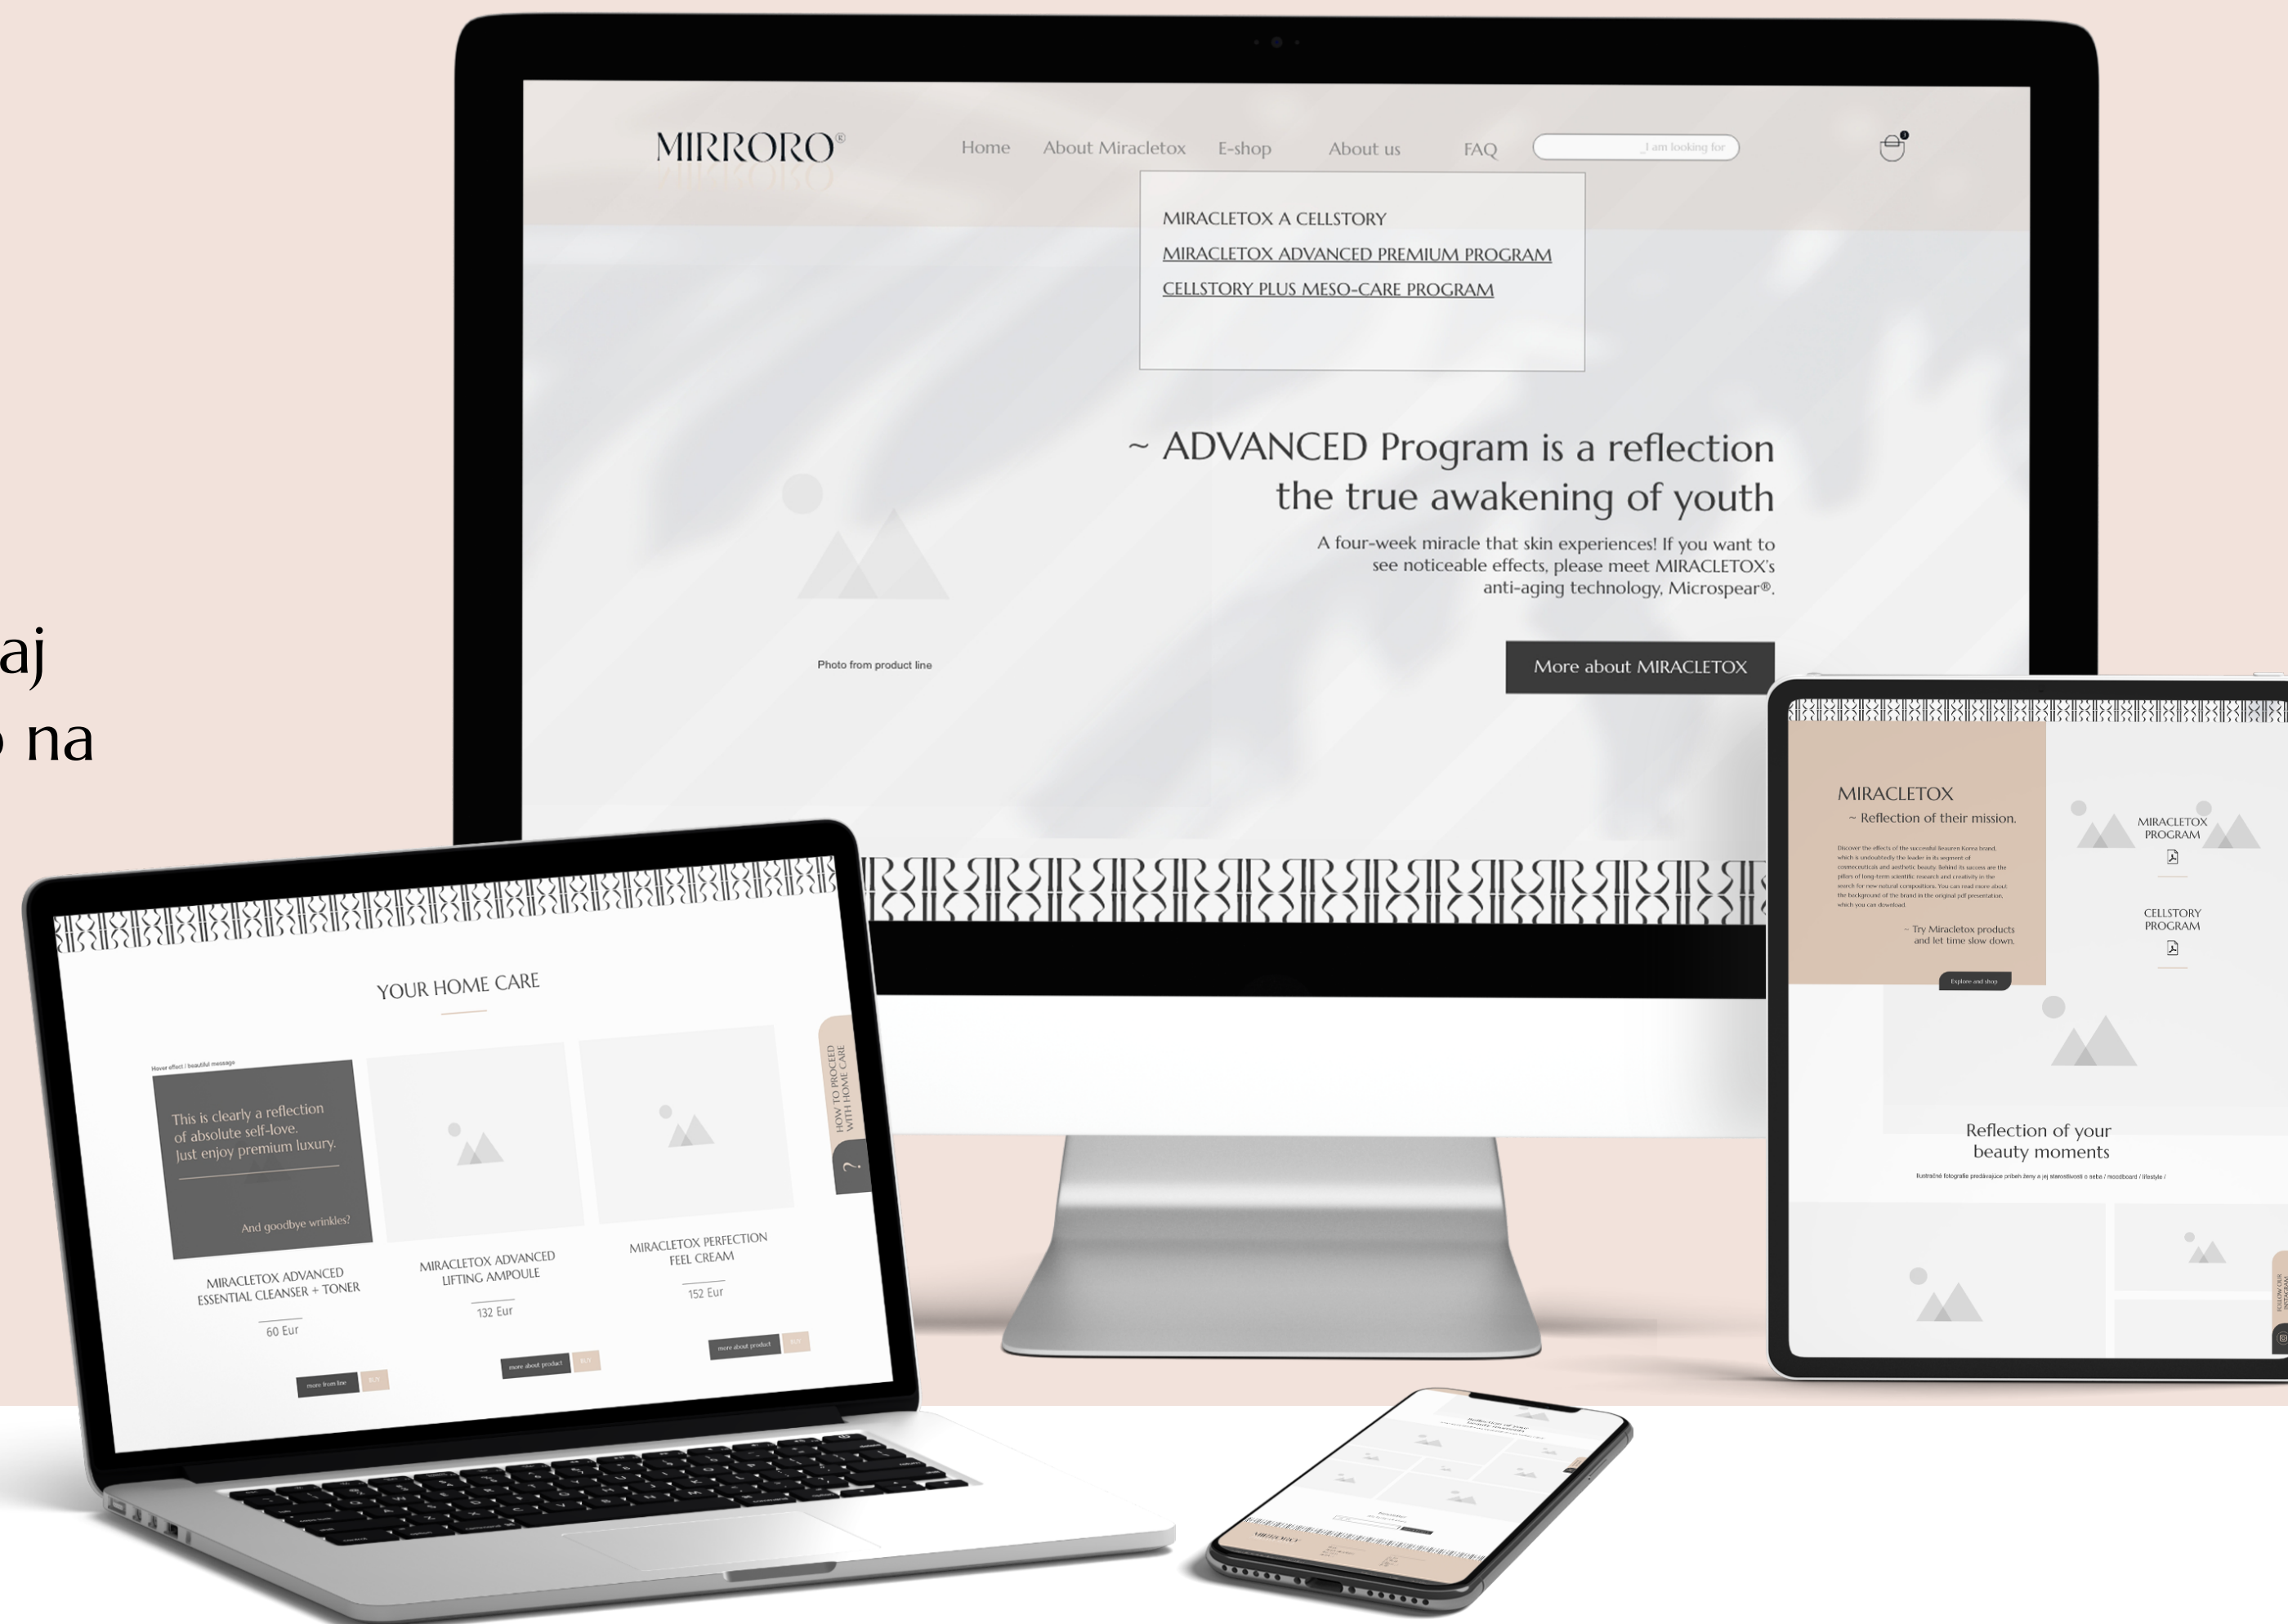

Jedinečnosť webových stránok, či e-shopov dokážeme docieľiť prevažne vďaka
prepracovanej vizuálnej identite, kreativite a originálnemu pohľadu dizajnéra.

V prípade projektu MIRRORO to bol splnený sen a dokonalá kombinácia okolností,
nakoľko sme dostali príležitosť pre klientku navrhnuť kompletný brand, aby mohla
odštartovať svoje vytúžené podnikanie - svoj beauty e-shop.

V zásade klientke stačil biznis plán, produkty na sklade, produktové informácie,
a o ostatné sme sa postarali.

wireframe

Pri tvorbe e-shopu na mieru je v úvode dôležitá príprava obsahovej štruktúry a architektúry, ktorú sme navrhli formou detailného wireframu, ktorý zabezpečil pevnú pôdu pred tvorbou samotného dizajnu. Ponuku produktov sme spestrili aj o lifestylové sekcie, ktoré povýšili e-shop na príjemnejšiu formu prehliadania.

art direction

Zvolili sme minimalistický dizajn, ktorý prehovára k ženám cez pleťové, matné tóny v kombinácii s elegantnou a nadčasovou čiernou vrátane lifestylových originálnych fotografií.

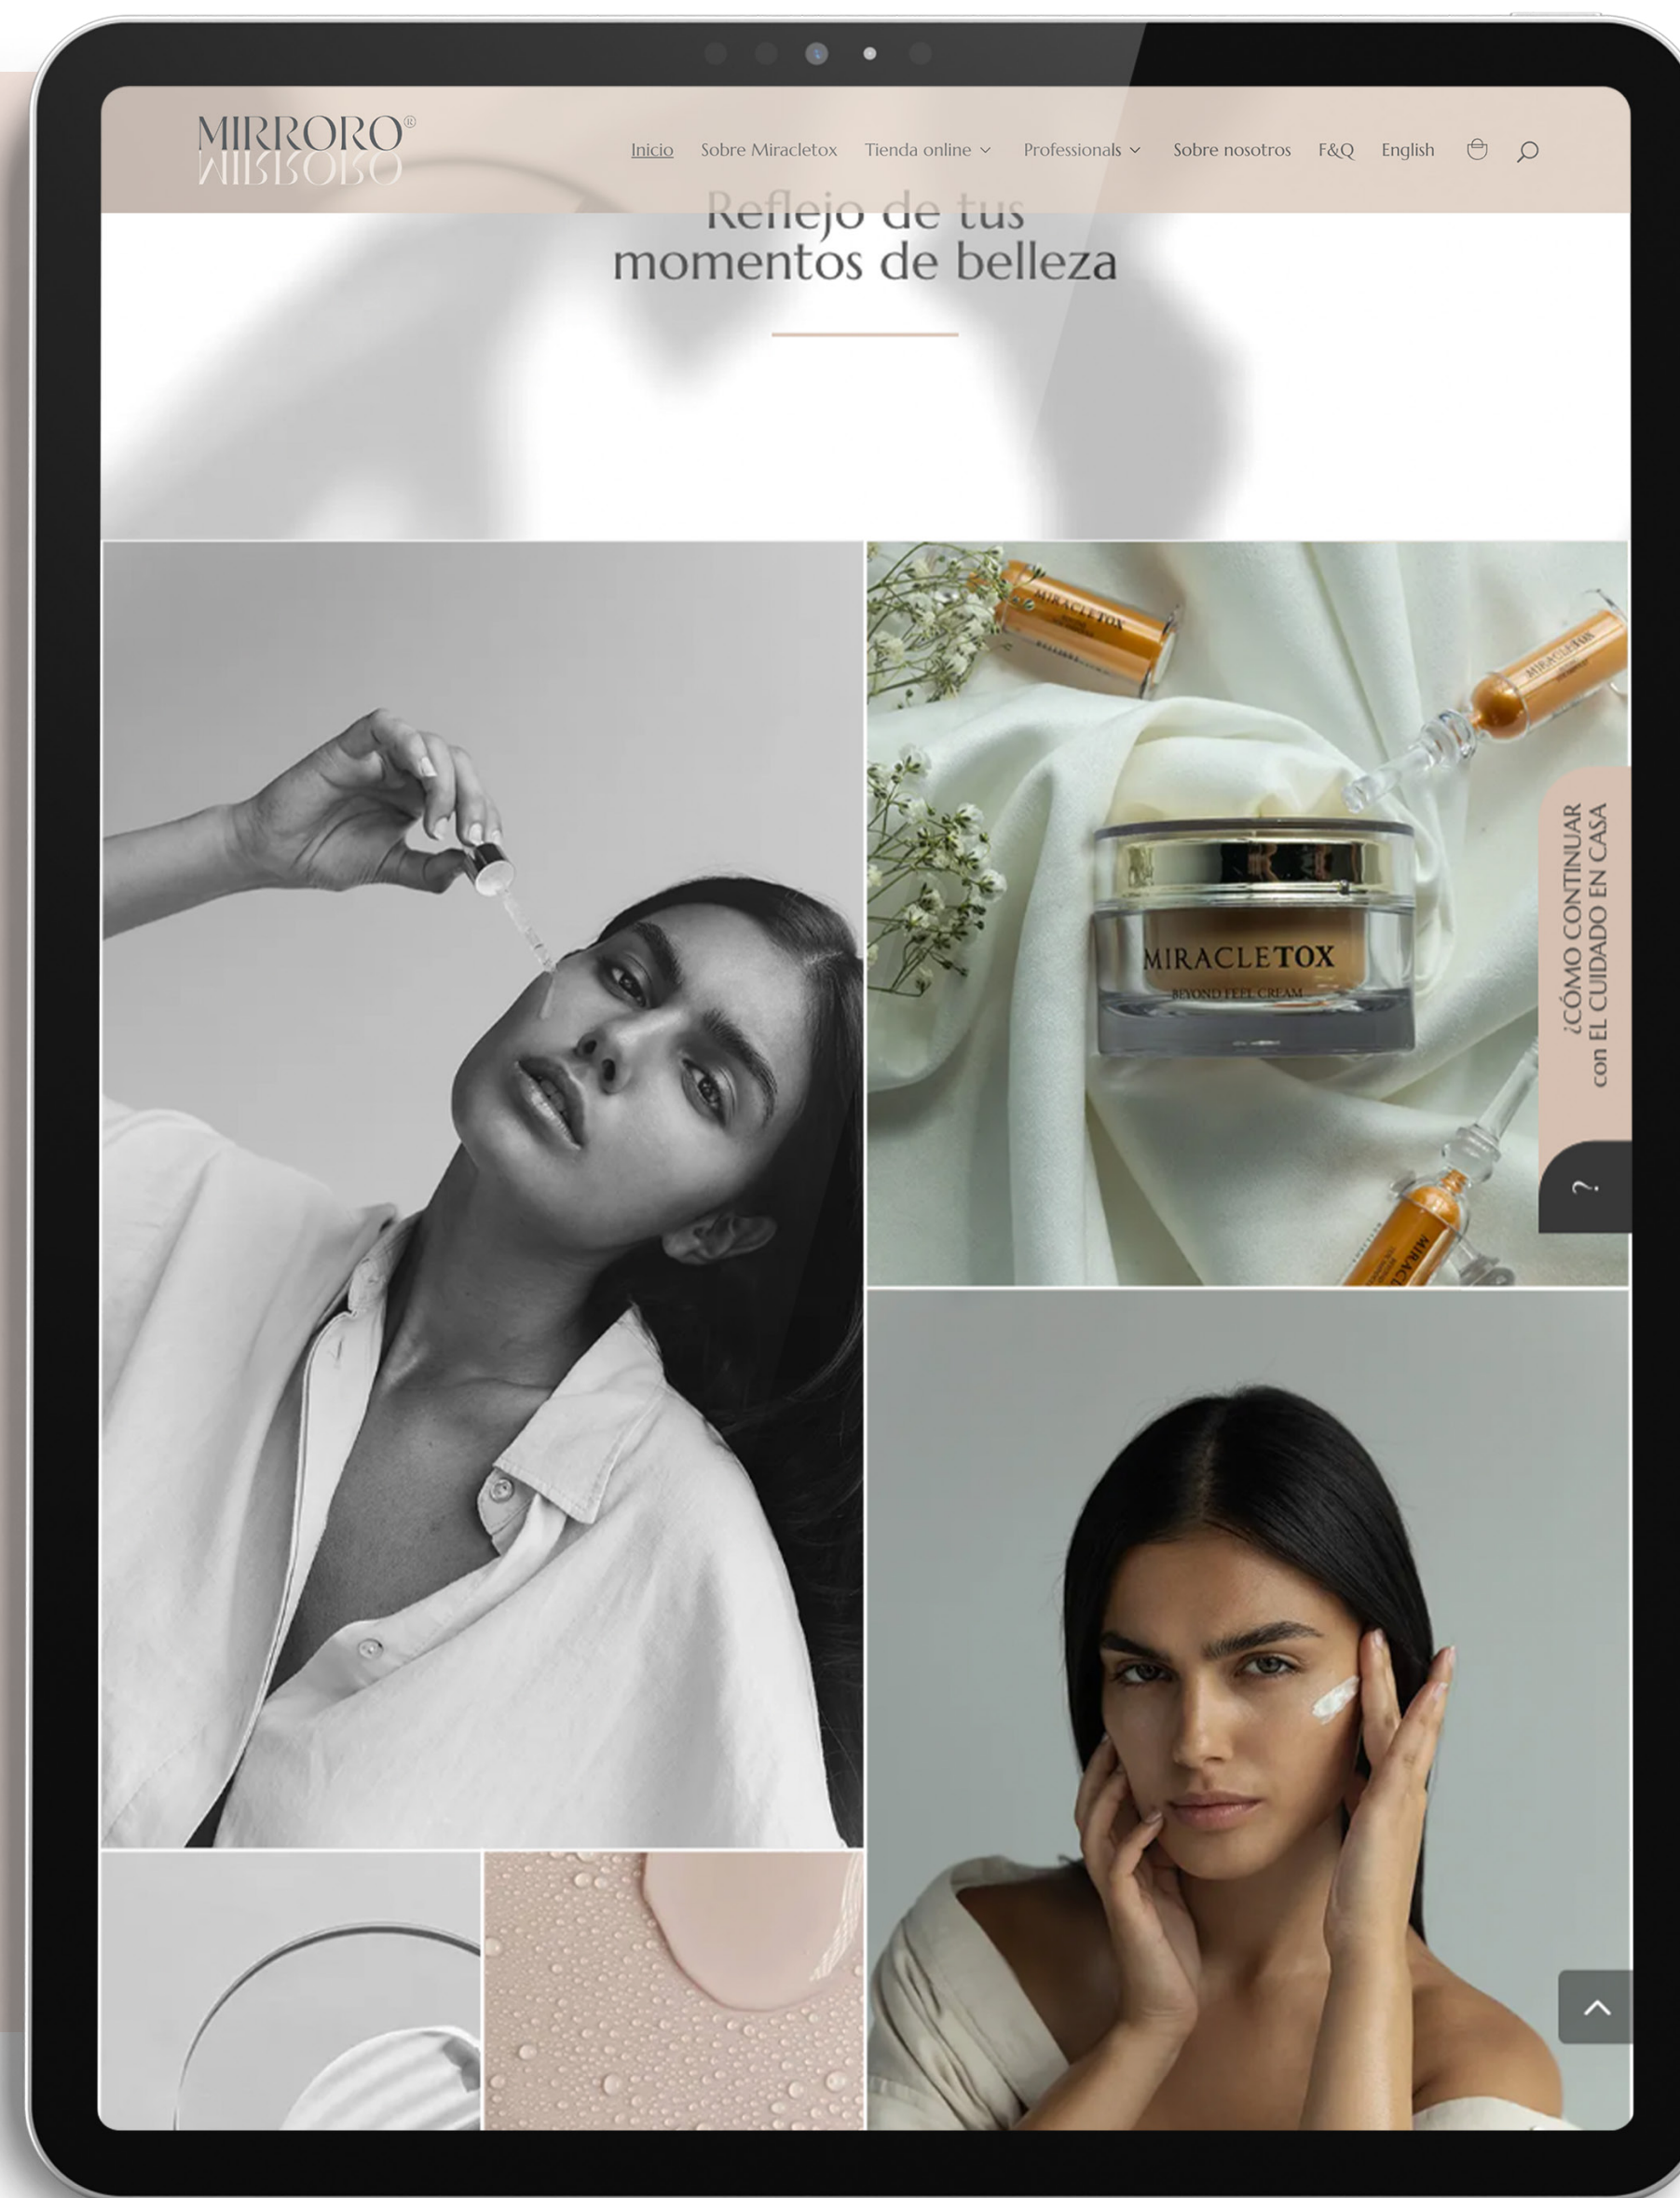

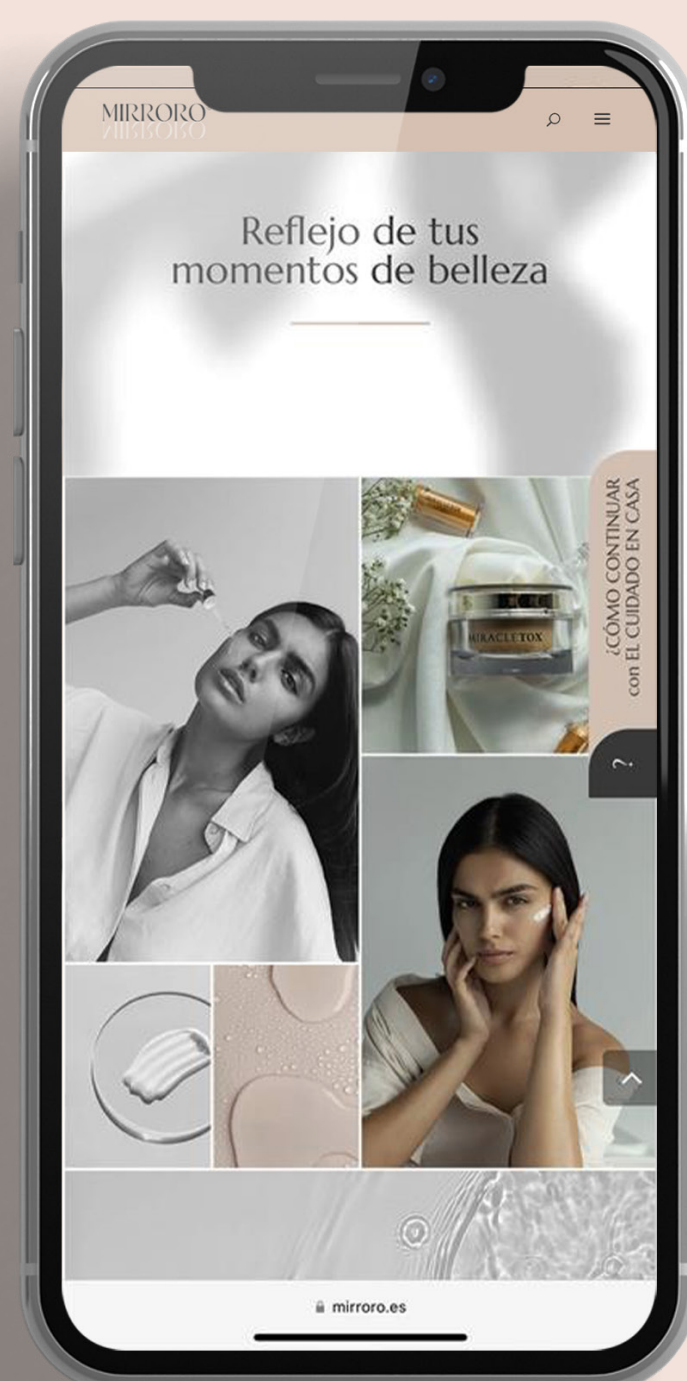

Vyriešili sme spôsob, ako dodať e-shopu pridanú hodnotu cez foto postupy dennej starostlivosti, ako sa dokáže z domácej kúpeľne stať profesionálny kozmetický salón.

Zakomponovali sme kreatívne hover efekty s odkazmi na produktové karty. Pretože prémiovosť a kvalita sa ukrýva v detailoch.

Obrázkové galérie, ktoré vyjadrujú všetky príjemné momenty prémiovej sebalásky.

Čistú a elegantnú ponuku produktov,
ktoré postprodukčne prešli úpravou aby
zapadli do nastavenej vizuality.
